# Login – details provided by your technician

---

The screenshot shows the login interface for Elis Connect. At the top is the Elis Connect logo, which consists of a red arrow pointing right, followed by the word 'elis' in a bold, sans-serif font, and 'CONNECT' in a smaller, all-caps font below it. Below the logo, the text 'Login to your account' is displayed in a bold font, with 'Enter your credentials below' in a smaller font underneath. There are three input fields: the first is a blue field with a keypad icon and the number '2000'; the second is a white field with a person icon and the text 'Email'; the third is a blue field with a lock icon and a series of dots representing a password. At the bottom is a light gray 'Sign in' button with a right-pointing arrow icon.
